bahar.baziki@isikun.edu.tr

Bahar Baziki was born in 1987 / Istanbul. After graduating from Flute Department in Istanbul University State Conservatory, she studied Visual Communication Design in Bahçeşehir University. After graduating from university, she became interested in design and illustration. She studied in Instituto Europeo di Design in Barcelona and further advanced herself. Then she entered production industry, worked in several TV channels and gained experience. Then she started as a freelance production & director assistant in the media industry. After working several years in production and working with top production companies & ad agencies, she finally became a producer and started her feature film debut in The Search project with Ismail Kemal Ciftcioglu. As responsible with all the business works of the company, she continues to be a producer in RealityArts Studio which she co founded. She also has active role in the art direction of the company's works with her artist identity. She is one of the woman entrepreneurs that selected for Ünlü & Co Women Entrepreneur Academy. She is also one of the 10 woman entrepreneurs that was chosen from Turkey for Cherie Blaire Foundation.
