Ergin Yetkin was born in İstanbul in 1961. He received his Bachelor Degree from the Department of Industrial Design at the Faculty of Fine Arts in Marmara University in 1985. In 1986, he was accepted for the graduate studies program in the Department of Industrial Design in Mimar Sinan University. Before Yetkin started doing his military service in 1988, he worked on several different design and interior design projects. In 1990, he started working as an Industrial Designer at Netaş Telecommunications and in 1992, he established the Netaş Industrial Design Department. Until 1998, Yetkin worked at the same company as a manager. In 1999, he worked as a manager at Erel Companies Group's design of live broadcast vehicles project. Between 1999 and 2007 Yetkin worked at Nova Incorporated Company as a manager and was responsible from design products and management projects.

Since 2011, Yetkin has been working as a part time instructor and giving lectures on project studios and technical drawing in the Department of Industrial Design at the Faculty of Fine Arts in Işık University.
