He was born in Ankara in 1971. He graduated from the Department of Graphic Design at the Faculty of Fine Arts in Hacettepe University in 1995. His illustrations were published in many magazines and books while studying in university. He made experimental studies with an animation technique called "Cel" and worked in a few cartoon projects as an animator. Until 1999, he worked as a graphic designer in advertising agencies. After 2000, he settled in Istanbul and concentrated on interactive media, web design and animated graphic design. Between 2000-2010 he won nine awards in many contests such as FlashForward Film Festival, IAC Internet Advertising Competition, Altın Orumcek, and Web Award Association. He worked for a lot of major companies' web sites, advergames, interactive campaigns, microsites and social media applications as a designer/an art director. He is currently working in Mvmdigital as the Creative Team Director. In addition to his work, he gives lectures on Interactive Design/Multimedia and Digital Image Processing in the Department of Visual Communication Design at the Faculty of Fine Arts in Isik University.
